Strong's Schools Maryland analyzed a sample of reports from the past year including (1) Diverse Hiring Practices, (2) 2021 Trauma and Behavioral Health, and (3) 2022 Trauma and Behavioral Health reports.

These reports were analyzed and rated on a scale of Needs Improvement, Satisfactory, and Outstanding based on reporting requirements outlined by state law, which was the basis of the rubric.

Every submitted report was approved by the Maryland State Department of Education. The map above shows the breakdown of quality of reporting across the state.
